

FREE PARENT WORKSHOPS!

The Speech Therapy Centres of Canada invite you to join us for a series of important and **FREE** parent workshops about speech therapy and child communication.

These workshops will help you:

- **Decide if your child requires speech therapy**
- **Learn about the latest treatment options**
- **Do things at home to help your child improve their speech and communication**
- **Understand the challenges they may face by delaying any treatment.**

NO DOCTOR'S REFERRAL NEEDED, BUT SPACES ARE LIMITED SO PLEASE REGISTER TODAY BY CALLING US AT 905-886-5941.
